

CBS Preschool Supply List

2017-2018

The school will provide crayons, glue, pencils, etc. via the supply fee.

The items that you need to supply are as follows:

- 1 backpack (large enough to carry a folder and nap blankets)
- 2 boxes of tissues
- 1 pump bottle of hand sanitizer
- 1 container of Clorox wipes (at least 75 count)
- 1 container of baby wipes
- 4 pocket folders (no prongs)
- 1 change of clothing including undergarments and socks. Please have these items in a labeled gallon-sized Ziploc bag. This outfit **does** have to be a school uniform.
- 1 crib-sized sheet big enough to cover nap mat (NO pillow-case type because of difficult getting on and off), small blanket, and travel sized pillow. (no pillow pets, please)
- 2 inch nap mat (required by law)
- 1 subject spiral notebook (solid-colored cover) for homework assignments

Please do not purchase any items with pop, rap music graphics, skulls or crossbones on them.

- Preschoolers must wear slip on, Velcro, or tennis shoes that do not need to be tied. They need to have non-marking, rubber soles. **No sandals or crocs are allowed.**

School Uniform:

All students need to wear a navy blue, white, or gray polo shirt. The shirts with the CBS logo are NOT required for K3/K4 students. Boys may wear navy, khaki, or blue jean pants, NO SHORTS. Girls may wear navy, khaki, or blue jean skirts that come to the top of the knee. However, girls should also have a pair of shorts underneath their skirts. For colder weather, students may wear a navy, white, or gray long-sleeved shirt under the polo shirt. In the classroom, students may wear a gray or navy sweat jacket or sweater. Sweaters and sweat jackets should either be solid colored or have the CBS logo on them. Other coats and jackets may be worn for outside play.

Please make sure that each of your child's clothing items is labeled. This includes the clothes he/she is wearing to school each day AND the items in his/her spare set.
